The Privacy Act of 1974 went into effect September 27, 1975. This law is designed to protect you from the unauthorized use and exchange of personal information by Federal agencies. For example, any information that a Federal agency has about you, such as Social security data, your military service records or census information may not, with a few exceptions, be given to another agency or to a Member of Congress without your written permission.

As you probably know, investigations of your concerns may require that I ask one or more Federal agencies for confidential information. In order to be of better assistance to you, I ask that you sign the consent form below. Please return to my district office at 3600 Port of Tacoma Rd, Suite 106, Tacoma, WA 98424 or fax to (253) 896-3789.

Please understand that you are responsible for all of your original documents or copies, and must retain these for your records. All documentation held by our office will be shredded two years after your case with our office is closed. Your signature below is acknowledgement of this policy.
